2025 HUNT
Private Treaty
BULLS

Hunt Limousin Ranch is a family owned and operated seedstock business. Charlie and Nancy began the operation soon after marrying in 1960 with a modest herd of 350 black baldie females. Charlie began using Limousin bulls in 1978 with no intention of becoming a seedstock producer. However, as more neighbors began to notice the quality of his Limousin-sired calves, Charlie began selling bulls. The demand for HUNT genetics continued to grow, and today, the Hunt program is one of the largest and most well-respected Limousin operations in the country. Among the many awards and honors the firm has accumulated over the years, one of the most humbling came in 2017 when they were awarded the Beef Improvement Federation Seedstock Producer of the Year Award.

Although the cattle have changed over the years, family, faith and honesty continue to drive every decision. The Hunt family believes in treating others the way they would like to be treated while taking care of the land for future generations and marketing a high-quality product at a fair price.

For over 45 years, Hunt Limousin Ranch has been breeding Limousin and Lim-Flex cattle near Oxford, Nebraska. The core of the program revolves around raising sound, functional, efficient cattle that are designed to work in the commercial industry.

Charlie and Nancy still live on the ranch and play active roles in the business. They are proud to have passed the reins to their youngest son Dan, along with his wife, Melinda, and their children Jenna, Adeline and Houston. They are also proud to have one of their daughters, Sally, and her two boys Charles & Clayton as fulltime help on the farm. Their oldest son, Dave, also helps out whenever he can.

We invite you to study the bulls available for sale this year and contact us with any questions you may have. And of course, your call or visit is always welcome.

The Hunt Family

YOUR PARTNER IN SUCCESS

Customer service is our number one priority. We want you to be successful, and will do whatever we can to insure you are satisfied. Whether it's selecting bulls for you, making recommendations for your vaccination program, assisting with breeding decisions, or helping market your calf crop, we are here to help.

Calving-ease, growth, and docility have been the foundations behind our breeding program for over 45 years. Simply put, HUNT genetics will thrive in the commercial industry.

Hunt Limousin Ranch genetics are available by Private Treaty, all year long. Whether you're looking for herd bulls, replacement females, bred heifers, cows, semen or embryos you will find it here at Hunt Limousin. Your call or visit is always welcome!

CALVING-EASE - GROWTH - DOCILITY

Keeping these three fundamentals at the core of every breeding decision, along with multiple other traits, we strive to create a balanced, functional, real-world beef animal. Our bulls and females flat-out work, and they have proven to work in any environment across the country. Across multiple traits, our cattle rank in the top percentiles of the Limousin breed. We are known for producing extremely docile cattle with built-in calving-ease and efficient growth which will make a positive impact on the beef industry.

Our seedstock cattle are not pampered, they must perform. We do not creep feed, this way we know which females are doing their jobs and which ones need to go on down the road!

Being a member of the Limousin Inventory Management System (LIMS), all data is turned in, on every animal. With large contemporary groups, our truthful data is a solid measure and reflection of our herd.

COMMERCIAL BRED HEIFERS

Each year we keep 150-200 heifers off the top end of our calf buy-back program. These heifers are developed and treated exactly like our registered females: pelvic measured, reproductive tract scored, BVD tested, synchronized and AI'ed. They are bred to a breed-leading, Angus calving-ease bull, and will start calving February 10th.

These heifers are available for purchase any time. If you purchase a group before they are bred, we are willing to breed them to the bull of your choice. They will be ultrasound pregnancy checked in mid-August. Whether you need 1 or 100, we can fill the order.

REGISTERED FEMALES

Each year we offer our registered Limousin & Lim-Flex females for sale. They will be AI'ed to leading Limousin, Lim-Flex and Angus sires to begin calving in early February. They can be purchased early in the spring before they are bred, or late in the fall after they are pregnancy checked. They have breed-leading EPD profiles, are extremely docile and will develop into profitable cows.

These ladies are available by Private Treaty. Come anytime, spend as much time as you need to study this great set of females.

FLUSH OPPORTUNITIES/EMBRYOS

We have sold embryos all over the world. You are welcome to pick any of our females to flush—we'd be happy to show you our cow herd! You can purchase the 'flush rights' on any female, or purchase embryos. Contact Dan for a list of potential donor cows and to discuss further details.

CLYT 30M comes from my nephew Clayton's cow herd, which runs right with ours. 30M is a HOMO polled, calving-ease specialist, sired by the nationally renowned HUNT Credentials. He is moderate framed so he will be able to breed your replacement heifers for many years. Top 15% or better for CED, MK, CEM, DOC and \$TPI. If you want your heifers bred red and don't want to sacrifice any carcass merit or pounds at weaning, 30M is the bull you should buy. Find his video at www.huntlimousin.com

DANH 76M is a HOMO black, HOMO polled, 78% NXM calf that astute cattlemen will easily find. Sired by AHCC Earning Power and a highly productive FILL Danny 211D daughter who raised one of our top selling bulls last year. 76M is equally impressive on paper as he is in person. He strides around the pen confidently, with tons of capacity and dimension. Find his video at www.huntlimousin.com

DANH 78M is a purebred Justified son. He's so calm we basically had to push him around the video pen. Check out his BW to YW spread of 122 pounds. Looking for a purebred bull that will add value to your calves, he's the one. Really great post-weaning gain and Top 15% Marbling EPD. His mother goes back to the famous Alto cow, so you can be confident in keeping daughters out of 78M as well. Find his video at www.huntlimousin.com

JEHH 80M comes from one of my oldest daughter Jenna's cows. He is a 31% Lim-Flex, HOMO black, HOMO polled son of Wulfs Stimulus. This bull will work great in a program that cares about carcass merit on their calves. 80M is Top 20% or better for CED, MK, CEM, SC and \$TPI. He is moderate framed and extremely deep through his chest and rib cage, stylish through his front 1/3 and easy to be around. Find his video at www.huntlimousin.com

HUNT 44M is a top DOUBLE HOMO heifer bull. We love his calm demeanor, length of body and rib depth. He will work well on heifers or 2nd calvers when you want to sleep easy during calving season. Sired by the Angus calving-ease specialist SS Brickyard. Top 5% for CED and 15% for BW and while siring calves with some growth as he's in the Top 35% for WW. Also, top 10% for Milk EPD, so you can keep replacements out of him! Actual birth weight of 75 lbs. Find his video at www.huntlimousin.com

HUNT 64M is a HOMO polled son of RUNL Justified 364J back to a FILL Danny 211D cow. He is super long, with a deep chest floor and excellent disposition. If you're looking for bulls with similar style and genetics we have many Justified sons to choose from: HUNT 64M, 66M, 67M, 72M, 78M, 89M, 90M, 91M, 92M, 101M, 110M, 120M, 127M, 131M, 135M, 163M, DANH 78M, DANH 93M, HUNT J02M, DANH J03M, and HUNT J05M. Most of the Justified calves excel in growth, and 64M is no different... Top 5% for WW and Top 10% for YW. Find his video at www.huntlimousin.com

Everyone should stop and take a hard look at HUNT 66M. DOUBLE HOMO, purebred, calving ease bull, and still in the top of the breed for growth and marbling.... pretty difficult to find a bull out there with a set of numbers this good. Pull the trigger on this Justified son, he won't last long. Find his video at www.huntlimousin.com

JEHH 87M is one of Jenna's bulls. Sired by AHCC Dakota Thunder 363D and Jenna's really good Billy Ray daughter, who has a perfect udder. 87M has a lot of pounds and not a huge amount of leg and frame. If you like compact, stout, heavy bulls then take a long look here. HOMO polled, 56% Lim-Flex, he'd be a great one to keep daughters out of as well as produce steers buyers will go crazy for in the sale barn. He really walks easily, like he's a model on the runway!! Find his video at www.huntlimousin.com

We went back into the semen tank and used some of the ole' proven sire DANH Durham 54M, and it worked great on this Ferdinand daughter. This cow raised a really good bull a couple of years ago that is working up in Wyoming at the Stoll Limousin operation. So, we know that 90M has good genetics on both sides of his pedigree and will produce attractive, functional cattle that are born easy and grow into stout, good looking calves. Find his video at www.huntlimousin.com

Here's another purebred Justified son. HOMO black, hetero polled and full of meat! This bull is moderate framed and has a really cool look. Top 35% or better for REA & marbling! Find his video at www.huntlimousin.com

THE HUNT ADVANTAGES

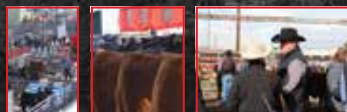

CALF MARKETING - HUNT Limousin customers make more cash on their calves sired by HUNT bulls! When your calves are ready to be marketed we will be happy to bid either right off the farm or through the sale barn. Premiums are paid when your entire calf crop is influenced by HUNT genetics.

FREE BOARD/DELIVERY - Come to the ranch at your convenience, or study the bulls on our website. Free feed and board until April 15. Free delivery within 250 miles of Oxford, Nebraska.

GENOMICS & DNA - All bulls have Genomically-Enhanced EPDs, are parentage tested, homozygous black & polled tested, and are tested BVD negative. Udder scores and information on the dams are also available.

VOLUME PURCHASES

1% off of each bull, up to 5%.
Buy five bulls, take 5% off of your total.

The mating of Justified with a young FILL Danny 211D daughter really worked well here. 93M is HOMO black, HOMO polled, purebred with tons of growth. He is above average for length and frame and shoots to the Top 1% for WW & YW EPDs, very impressive! Top end Docility and \$TPI as well. He takes a long step, lands on a good square foot and is real easy going. This purebred bull should be on the top of your list. Find his video at www.huntlimousin.com

Here is an attractive, moderate bull that can be used where calving ease is needed. He goes back to the famous Angus bull Pioneer on the top side and has Credentials on the bottom side of his pedigree, proven genetics stacked on top of each other, just how we like to do it! He's a single black, HOMO polled, 65% Lim-Flex. He'd be a great one to raise a few fancy show heifers or steers for your kids to take to the county fair! Find his video at www.huntlimousin.com

HUNT 196M is a cool, red, homo polled son of Gunner by a red Billy Ray daughter. If you raise your own replacement heifers and like the reds, take a look here... Top 15% for Milk, Top 35% for Scrotal and Top 1% for Docility!! This red, purebred won't last long in the 'for sale' pen. He is nicely balanced, free-moving and as calm as they come. Find his video at www.huntlimousin.com

HUNT 203M is an early April-born bull calf, and we can definitely see he is going to be a good one. His EPDs and phenotype show that he's safe to use on heifers and his calves will have carcasses that should be able to hit high Choice/Prime quality grades. Find his video at www.huntlimousin.com

%RANK	60	75	55	65	50	20	45	35	4	40	4	45	10

HUNT 209M was born April 6, so he'd sure work best in an operation that turns bulls out closer to June/July. He is long bodied and extremely well natured. Snag him and 203M for a pair of younger bulls with a ton of potential. All calves will be black and polled!! Find his video at www.huntlimousin.com
